

RUGGED FAITH

Rugged Faith is an Outdoor Ministry of Riverview Bible Camp where we desire to take people into God's awesome creation to allow them the opportunity to hear the Good News of Jesus Christ and grow in a relationship with Him, through a deepening understanding of God, Jesus, and the Holy Spirit as taught to us through the Bible.

Is your Anchor Solid? What's the anchor of your life?

Climbers entrust their lives to their anchors. All the climbing gear comes down to your anchor—and you want your anchor to be 'Solid'! When you're hanging off the 'Big Wall' or even 'pulling plastic' you need to know that your anchor is '**Bomber**'!

While we spend time & money making sure our anchor is bomber in the physical world, we often neglect to make sure our Spiritual Anchor is "**Bomber**". We are always in the '**Death Zone**' while we're here on earth. At anytime our lives can be taken from us and we can instantly enter eternity. That is why we gave you this tract. We want you to know that you can have a "**Bomber**" Spiritual Anchor. We want you to stop & check your anchor.

Jesus (our 'Lead Guide') said:
"24Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. 25 The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. 26 But everyone who hears these words of mine and does not put them into practice is like a foolish

How solid is your Anchor in this life, because there is no promise of another one. How many of you have taken the time to look under your house to see what kind of foundation it is built on? You take someone else's word on it. That's Faith. Now I ask you what takes more faith? To believe the first good idea about God someone presents to you. Or taking sometime and sitting down and reading and looking into the Bible and who it says God really is.

If your anchor is not solid in this world, it could cost you your life. The same can be said for your anchor in the spiritual world. Can you afford to take someone else's word for it?

I would like to suggest a few verses from Gods own word for you to look in to. Please take some time and read these for your self and ask as many questions as you can.

Romans 3:23
Romans 3:10-18
Romans 6:23
Romans 5:8
Romans 10:9
Romans 5:1
Romans 8:38-39

Though you may be able to go up the wall. You must have full confidence in your anchor or you will never be able to step out in confidence and enjoy climbing. The ride down is one of the biggest thrills! Can you enjoy the ride down if you are petrified, that you might fall at any moment?

Let me leave you with this thought. If you don't know if your anchor is solid, now might be your last chance. Please take it!

Hebrews 6:19a says: We have this hope as an Anchor for the soul, firm and secure.

We want to encourage you, that you can know if your anchor is "Bomber" or not. If you have any doubt then you better look in to it. We want you to have full confidence in *The Anchor*.
